

Country House for sale in Rojales, Alicante

260,000€

It is a privilege to present to you this exclusive plot of 530 m², located on the front line of the prestigious La Marquesa golf course in Ciudad Quesada. This property not only comes with an approved building permit but also includes a complete architectural design and a detailed project, ready for implementation. All of this, included in the price, represents an unmatched offer. Ideal for the discerning buyer looking for an immediate start to construction, this plot offers the opportunity to build your dream residence, combining the tranquility of golf with the convenience of its strategic location. The purchase of this plot includes all necessary projects and designs, offered as a gift in this special offer. I am at your disposal to provide more details and coordinate a site visit, thus facilitating your journey towards building the home you have always envisioned.
