We are delighted to bring to the market this lovely traditional property in the heart of Santa Catalina the old town of Pinoso.

The property has recently been completely refurbished from to bottom and is now available in a key ready state where you can drop your bags and start your life in this lovely area of Spain. The property consists of 4 good sized double bedrooms, a large lounge that can easily become a lounge diner, a really good sized and lovely kitchen and two modern bathrooms, one of which is an ensuite shower room.

Outside there is a truly delightful and large courtyard with ample room for a hot tub or even a plunge pool as this area is a real suntrap giving all day sun.

This property lends its self to every type of buyer, whether its a holiday home for a couple or for a family to live a permanent life in sunny spain.

In the area there is a lovely park just a few steps away and you can reach many different shops, supermarkets, bars, restaurants and a saturday market all within a few minutes walk.

This is a truly key ready property giving a great mix of a spanish home but with all the creature comforts of modern day living.
