

5 bedroom Townhouse for sale in Carcabuey, Córdoba

68,000€

Situated in the centre of The Parque Natural de la Sierra Subbética, a beautiful part of Andalucía in the town of Carcabuey in the province of Córdoba in southern Spain, is this 5 bedroom Townhouse with a garden and enclosed terrace. You enter the property into a bright reception area with a lounge on the right, ahead leads first into the fitted kitchen then to a fully tiled shower room and to a formal air conditioned dining room. There is also a ground floor bedroom that can be accessed from both the dining room and the lounge. To the rear of the dining room a door takes you into an enclosed terrace or conservatory with far-reaching countryside views and off which is a summer kitchen with fitted units. Back in the reception area, steps lead to the lower ground floor level where you have an utility space, former animal feeding bays, a wood store and a toilet / wash room. Also on this level is another dining space, the 5th bedroom, a storage room then access outside into your garden area with a patio and mature trees. The staircase from the ground floor reception area takes you to the first floor landing from where you have a further 3 double bedrooms.
