

4 bedroom Country House for sale in Humilladero, Málaga

150,000€

This property is just a few minutes walk in to town to visit the local street market, shops, bars and restaurants whilst enjoying spectacular countryside views. The property is a traditional Cortijo with a private walled courtyard and various outbuildings for animal houses, machinery storage and similar. The walled courtyard has established planting and fruit trees with a central well and access to the main house. Once inside the main house opens to the dining room and on to a rustic kitchen which opens in to main living room with high ceilings and room to dine this space is light and continues to several ground floor bedrooms and a full bathroom. On the first floor there are several rooms which were used for storage with beamed original ceilings and views out across the countryside. This property is vast and offers many possibilities to create more living space or update what's there to enjoy rustic rural Andalusian lifestyle.
