2 bedroom Apartment for sale in Vera, Almería

120,000€

Here we have an apartment in Vera playa, located in a very nice and well maintained urbanization. It has two bedrooms, one bathroom, kitchen/living room in an open floor plan, and a large terrace with beautiful views of the urbanization and swimming pools.

When entering the home you first reach the large terrace. They current owners have chosen to glaze it so that it can be enjoyed all year round, but the windows can easily be removed. With a size of 21 sqm you can easily design after your own preferences to create a relaxing space. From the terrace you access the kitchen and living room and to the right the first bedroom which also has doors out to the terrace. Further into the apartment you have the complete bathroom and second bedroom.

In the urbanization you will enjoy six swimming pools, large green areas, walking distance to the beach, supermarkets, shops, bars and restaurants. It is a home ideal for a small family or a couple who wish to spend long seasons in the sun or all year round.
