

Country House for sale in Sax, Alicante

159,995€

We are proud to offer this unusual opportunity to purchase a plot of land with outbuildings, mains water and electricity, and an income.

This plot contains plenty of warehouses, potentially able to be converted into a house, as there is 10,000m² of land here. There is also a large pool here, but this requires a refurb, as it's not been used for around 40 years, so will need a full restoration.

However, this is where the potential lives - there is a telecoms mast on the land, of which the phone companies pay around €5,000 a year to the owner.

The plot and outbuildings are within walking distance to the town of Sax, and could make for a unique property.
