

4 bedroom Villa for sale in Javea, Alicante

1,190,000€

The Villa is a perfect embodiment of the seamless blend between organic and contemporary design. Elevating modern living, the villa is set in the heart of our refined Monte Olimpo residential expanse. Enjoy the panoramic views of glorious mountain ranges meeting the serene sea while being a few minutes away from the beach in one of the most sophisticated urbanizations.

The design offers an open-plan living model on the main floor that features a guest bathroom and a bedroom, finished with an en-suite bathroom, paving the way for a luxurious living experience.

Ascending to the top floor, you are greeted with a majestic master suite that boasts the most privileged vista. The master bathroom, spacious fitted wardrobe, and a private terrace redefine luxury. The floor accommodates two more bedrooms, taking the total to four. Each bedroom, fitted with wardrobes and en-suite bathrooms, reinforces the villa's intrinsic ethos of unmatched comfort and elegance.

Characterized by free-flowing and organic lines, the villa invites you to immerse in nature as it offers an airy interior bathed in the Spanish sun, opening up to the sunny hillside. The elegant curves extend into sunny terraces and the pool area, creating an alluring outdoor space. This makes the villa an idyllic paradise for the socialites, who love to host and entertain.

Whether you're indoor or outdoor, the villa ensures you a timeless luxury experience amidst nature.
