The Property

Upon entering the property, two bedrooms are located on either side of the hallway. One of the bedrooms has a large built-in wardrobe. Double doors lead to the spacious living room, which gives access to the third bedroom with an adjacent bathroom. From the living room, there is also access to a second living room or dining room; a cozy space with a fireplace and air conditioning (hot/cold), which leads to the spacious kitchen and large patio.

Outdoor Area

The patio is a wonderful place to enjoy both the sun and shade, experiencing the Spanish lifestyle. There is plenty of space to create a barbecue area or consider adding a jacuzzi. From the patio, a second bathroom is accessible, as well as a storage room. Additionally, the patio provides access to the spacious garage. There is plenty of parking available on the street, so this space could also be used as a home office or guest accommodation. The patio has a separate access door from the rear street.
