

3 bedroom Townhouse for sale in Alcaudete, Jaén

32,000€

This 3 bedroom property with a garage is a great opportunity for anyone thinking of moving to Alcaudete in the Jaen province of Andalucia, Spain. It is located on a quiet street, although quite close to the centre of this pleasant and bustling town. Access the property via the front door up a step and into an entrance lobby with stairs to the first floor on the right and ahead a corridor leading to the kitchen and the rear of the property. On the left of the lobby is a door to the dining room and on the right another door to a sitting room. There are steps up to a bedroom over the garage. Down the corridor from the lobby on the right is the kitchen and further on a covered patio with the bathroom on the right and a storage room next to it. From here there are stairs up to the patio at the back of the house which could be made accessible from the street behind and made bigger by removing the storage sheds. On the first floor there are two more bedrooms and three attic rooms being used for storage at the moment.
