

6 bedroom Country House for sale in Benamaurel, Granada

64,000€

Spacious 4-Story Home with Potential for 11 Bedrooms in Benamaurel

This expansive 506-square-meter (5,447 sqft) home in Benamaurel, featuring four stories and a front patio, is perfect for those seeking a spacious living space. The property currently has 6 bedrooms, but with the addition of vacant rooms, the total number could reach up to 11 bedrooms. ----- Full Video Tour Available.

The ground floor has a laundry room, a cozy living room with a fireplace, an indoor patio, a kitchen that needs a light renovation that includes a spacious pantry, and a bathroom. This floor also features two bedrooms, suitable for tenants or guest accommodations.

Second Floor:

As we go up to the second floor, you'll find another kitchen, a bathroom, and a living room. This level also offers three bedrooms, two of which include an additional small space that could serve as a dressing area, study nook, or even storage.

Third Floor:

The third floor houses an attic with five spacious rooms, with potential conversion into five additional bedrooms.

Fourth Floor:

The fourth floor features another attic, adding to the home's usable space.
