

3 bedroom Apartment for sale in Guardamar del Segura, Alicante

345,000€

A limited collection of 19 modern apartments in Guardamar del Segura, just 1.4 km from the beach and close to the town center. The development offers 2- and 3-bedroom layouts, including ground-floor units with terraces, mid-level homes with balconies, and a penthouse with private solarium and pool.

Each apartment features clean architectural lines, a fully equipped kitchen, energy-efficient hot water system, private parking, and access to a shared pool and garden area.

Located in a well-connected part of town, with easy access to local services, parks, beaches, and public transport. A practical option for both year-round living and holiday use.
