

8 bedroom Country House for sale in Yecla, Murcia

390,000€

Expansive Rural Estate in Yecla – Ideal for Agriculture, Renewable Energy, or Private Retreat This 483,997 m² estate, located in Paraje Altos de Caudete, Yecla, offers a unique combination of agricultural potential and investment opportunities. The land is surrounded by olive trees, vineyards, and almond groves, benefiting from available subsidies to support its agricultural production. Beyond farming, the estate holds great potential for renewable energy projects. It is located in an area designated for wind and solar energy development, as outlined in the Yecla Wind Map, making it a strategic investment in clean energy. The property features a restored house with 8 bedrooms, 3 bathrooms, and a spacious living room, offering comfortable accommodation. A private water well ensures a reliable water supply, and there is the possibility of connecting to the electricity grid. The estate enjoys stunning panoramic views of the town, adding to its charm and tranquility. About the Area Yecla is well known for its wine production, natural beauty, and peaceful rural atmosphere. It offers modern amenities while maintaining a traditional Spanish countryside feel. The area is ideal for those looking to invest in agriculture, sustainable energy, or a private retreat while being well connected to the surrounding region. This property presents a rare opportunity for investors, farmers, or those seeking a serene country lifestyle. Contact us for more information!
