3,950,000€

The exclusive residential complex consists of 11 independent luxury villas, designed to provide comfort and security for both holiday and permanent residence. **OUTDOOR AREAS** Special attention has been paid to the privacy of all the homes, distributed in one line, all facing the sea. In addition, inside, the residential is divided by green areas and plants that prevent us from seeing the neighbours. The houses situated in front are about seven metres lower, and those at the back are separated by a ten-metre wall, which provides total privacy to our complex. **INDOOR AREAS** We would like to mention the sea views that we can enjoy from the plot without being interrupted by the roofs of other houses. This is made possible by the elevated position of the plots - some seven metres above the street, which places us above all the houses in front of us. The interiors of these luxury villas are synonymous with sophistication and comfort. Spacious rooms and a carefully designed layout create an elegant and functional ambience. Gourmet kitchens equipped with state-of-the-art appliances, spa-style bathrooms and spacious bedrooms reflect thoughtful luxury. Large windows provide panoramic views and access to private courtyards with pools or meticulously landscaped gardens. **FINESTRAT** Finestrat, in the province of Alicante, is a place that combines rural serenity with proximity to popular tourist areas.
