

3 bedroom Apartment for sale in San Javier, Murcia

800,000€

This new beachfront development in San Javier combines modern design with direct access to the Mediterranean. The homes feature bright, open interiors designed to make the most of sea views, with large terraces that extend the living space outdoors. Quality finishes and a calm, elegant style create a comfortable and inviting atmosphere throughout. The communal areas include a restaurant with sea views, a beach club, an infinity pool and a spa surrounded by tropical gardens, offering residents a relaxing coastal setting. With its prime location and tourist licence, this property offers not only a serene lifestyle by the sea but also strong rental potential in one of Murcia's most sought-after coastal destinations.
