

4 bedroom Townhouse for sale in Vila Joiosa, Alicante

1,650,000€

It will be a private building with eight dwellings, to which eight parking spaces will be added. The Town Hall has already given the go-ahead for the basic project, which precedes the building permit, so the construction company has paved the way for its new business in the city. OUTDOOR AREA They are a 5-minute walk from the beach of Cala de Finestrat and have communal areas such as a garden, outdoor swimming pool, gym, paddle tennis court, games room with darts and table tennis. Free parking is available. INDOOR AREA The interiors of these high quality flats are an example of sophistication and comfort. Every corner has been carefully designed to provide an exceptional ambience. Bright, open spaces create a feeling of spaciousness, and modern design is combined with practical elements for a comfortable lifestyle. These flats are a reflection of contemporary elegance and offer a space where quality and comfort are a priority.
