

Apartment for sale in Villalonga, Valencia

150,000€

Great investment property! Fantastic plot of 60,000 m² completely flat for sale. This plot is located in a natural paradise in the mountains of Villalonga, just 25 minutes from the sea. The property has very fertile soil and a water connection. Ideal for an ecological business such as growing fruit and vegetables, horse breeding or riding stables or even for a campsite. Subsidies for ecological business models with job creation are even possible after prior consultation with the responsible authorities. In the village of Villalonga, just 10 minutes drive away, there are all kinds of services. The larger towns of Gandia and Oliva with the motorway feeder and their fine sandy beaches are less than 20 km away. Characteristics: 60,000 m² plot, totally flat, fertile soil, water connection
