

## 5 bedroom Country House for sale in Torre del Rico, Alicante

69,995€

We bring to the market this 5 bed country property on the edge of the stunning Murcia countryside. The property is set over two levels and has a lot of potential to make into a great family home or holiday home. There is also a nice garden to the front of the property with a BBQ area and a terrace to the rear. The property is less than 5 minutes drive from both Torre Del Rico and Canada Del Trigo on the Murcia Alicante border. Both villages have lovely bars with great Spanish food and you are also just 10 mins from the larger town of Pinoso where you have everything you need for day today living. With the property come two separate small plots, one that has been used for growing vegetables and the other for keeping animals as it also has a small stable block for two horses and there is also a swimming pool that could be refurbished and brought back to life. The whole property is in a solid and sound condition and is just in need of some updating as it has been used less and less over recent years.
