

3 bedroom Townhouse for sale in Alcaudete, Jaén

84,000€

LOCATED IN THE POPULAR MORRISH TOWN OF ALCAUDETE DEEP IN THE HEART OF OLIVE COUNTRY, A PROPERTY READY TO MOVE INTO WITH FABULOUS VIEWS OF THE TOWN'S CASTLE.

Located centrally in a quiet street of this busy Town on entering there is a large dining room with traditional beams to the right of this is a good sized family bathroom with a full bath with an overhead shower, wc, vanity unit with sink and storage. Off this to the rear is a good sized double bedroom with two windows(one having castle views), air conditioning unit and a ceiling fan.

From the dining room there is access to the kitchen a great size with an Island, air conditioning and fully fitted with modern units. French doors from here then lead out to the raised sun terrace with fantastic views of the Towns Moorish Castle and Santa Maria church which is illuminated at night.

Stairs from the dining room then lead to the first floor of the property where there is a very large open plan lounge and bedroom, rear facing and again has views of the spectacular castle. This room again benefits from an air conditioning unit and beamed ceiling.

There is another staircase in the dining room leading to the basement area of the house. Here there is another very large open plan lounge and bedroom with a wood burning stove. There is access here then out to a rear courtyard with access in and out via a door to the side street. This is again a large area with different sections for storage and it has water and waste. Here there is also a full bathroom with a wc, sink with vanity unit, shower, washing machine and storage.

This house is great value for money and is located in a very popular Town ideal holiday home or full time living..
