

3 bedroom Townhouse for sale in Manilva, Málaga

530,000€

Modern New Build Townhouses for Sale in Manilva Costa del Sol

Contemporary Design with a Focus on Space and Light

This exclusive new development in Manilva features 20 premium townhouses designed to maximize space, natural light, and comfort. Offering 3 and 4 bedroom layouts, each home includes generous living areas, fully equipped kitchens with high-quality finishes, and modern interiors that seamlessly blend indoor and outdoor living. High ceilings, expansive windows, and thoughtful layouts create bright and airy spaces, perfect for enjoying the Mediterranean lifestyle.

Luxury Features and Custom Options

Corner properties boast an additional solarium floor, ideal for private sunbathing or entertaining, while other homes offer panoramic views of the Mediterranean Sea or lush green valleys. Select units include private gardens with the option to add a plunge pool, providing an even greater level of exclusivity. Communal amenities include an infinity swimming pool, a fully equipped fitness room, and a stylish residents lounge, all designed to enhance relaxation and well-being.

Prime Location in the Hills of Manilva

Situated in one of the most sought-after areas of Manilva, the development combines tranquility, privacy, and connectivity. The elevated position ensures unobstructed views of the sea, green valleys, and surrounding mountains. Residents can enjoy stunning sunrises and sunsets from their terraces while benefiting from easy access to all essential services, including international schools, restaurants, shops, and wellness centers.
