

1 bedroom Apartment for sale in Playa de las Americas, Tenerife

254,900€

"ImmoSudTenerife SL", real estate agency in Tenerife, presents you

This magnificent apartment located in the famous Playa Honda residence, with sea and La Gomera views close to the beaches of Las Americas.

The residence, currently undergoing a complete renovation (with the exception of the recently refurbished swimming pool), will offer resolutely modern comfort and style.

The current owner has already paid all the costs incurred for the renovation of the entire residence, and is now offering this investment at a particularly attractive price, below its real value, due to health reasons that now prevent him from traveling.

Located on the 6th floor of the building, the apartment benefits from breathtaking views of the sea and the island of La Gomera, offering a peaceful and bright living environment.

Ideally located near the beaches of Playa Las Américas and the marina, this apartment represents a quality investment in one of the most sought-after areas of southern Tenerife.

In the information request section of the portal, you can request that we send you the link to the property you have selected and/or other information via live chat.

A response to your request will be sent to you as soon as possible.
