The property is perfectly positioned on its plot, with a raised glazed porch overlooking the pool – an ideal spot to enjoy alfresco dining or simply watch the sun move across the sky on the 300+ sunny days each year.

Inside, the open-plan layout creates a light and airy feel, while high-speed fibre internet (up to 1000 Mbps) ensures you're always connected. The spacious kitchen with archway offers plenty of workspace and storage, and the adjoining utility room houses the washing machine and hot water system.
