Set in the hills above the charming town of Órgiva, this cortijo with 4,7 hectares of land offers a rare opportunity for those seeking peace, space, and a deep connection to nature.

The main house features three bedrooms, a spacious open-plan living area with kitchen, and a modern bathroom. There's also a second small cortijo, perfect as a guest house or tourist accommodation, complete with its own living area, bedroom, and bathroom.

The land, planted with mature olive trees, provides plenty of parking space, sunny corners, and an alberca (traditional water pool) that could easily be transformed into a swimming pool. A 100 m² agricultural building (nave de aperos) offers great potential for storage, a workshop, or even a rural retreat project.

With breathtaking views over Órgiva and the Sierra de Lújar, this property combines total privacy with quick access to the town.

Órgiva is well-known as a vibrant multicultural hub in the heart of La Alpujarra, surrounded by whitewashed villages, and only 45 minutes from Granada City and the Costa Tropical.

Perfect both as a family home or a tourism or community retreat project, this cortijo captures the essence of the Andalusian lifestyle.
