

3 bedroom Villa for sale in Finestrat, Alicante

849,000€

Imagine waking up every day in an environment where elegance, nature, and tranquility merge. Nestled between the majestic mountains and the golden beaches, this exclusive residential complex represents a privileged lifestyle in the heart of the Costa Blanca. This is a limited collection of 4 single-family homes, designed to offer maximum comfort, style, and well-being. Each home is spread over two floors and stands out for its contemporary architecture, with open and functional spaces: double-height living room, integrated kitchen, 3 spacious bedrooms, and 3 complete bathrooms. The experience is completed with private gardens, open terraces, and a private pool to enjoy the Mediterranean climate. Everything has been carefully chosen, from materials to finishes, to ensure superior quality in every detail. Located on a 1,834 m² plot within the new golf course, this unique enclave combines privacy, innovation, and a location in full expansion, ideal both for living and for investment.
