

2 bedroom Apartment for sale in Calpe, Alicante

390,000€

In the heart of Calpe, facing the sea and beneath the imposing silhouette of the iconic rock formation, arises a residential project that redefines the concept of well-being and exclusivity on this beautiful coastline. With cutting-edge architecture that harmonises with nature, this development blends contemporary design, Mediterranean light, and endless views, creating a unique and sophisticated lifestyle. The towers, slender and bright, house apartments with clean lines and terraces open to the horizon, offering incomparable vistas of the sea, lagoon, and surrounding mountains. Each space has been conceived to provide comfort, serenity, and beauty, allowing one to enjoy every sunrise as a sensory experience.

Advantages of a new building Camporosso Towers

The complex combines elegance, sustainability, and quality in every detail. The extensive landscaped areas are integrated with a carefully curated selection of amenities dedicated to well-being and community, designed to foster a healthy, active lifestyle:

- Panoramic swimming-pool and pool bar
- Coworking space and fully equipped gym
- Relaxation zones and gardens
- Paddle tennis courts and areas for yoga and pilates
- Calisthenics area for outdoor training
- Social spaces and lounge
- Children's area and exclusive kids club

Every environment is designed to be enjoyed, shared, and to celebrate life by the Mediterranean.

Design and lifestyle

The project embraces a perfect balance between architecture, landscape, and well-being. The apartments offer spacious, bright, and versatile spaces, with high-quality finishes and terraces facing the sea. The interior design reflects Mediterranean elegance and a constant connection with the natural surroundings.

Life in the city Calpe

Situated in the heart of Calpe, the residential enjoys an unbeatable location: sea-facing, just minutes from the golden sandy beaches, the promenade, and all amenities. The area combines the tranquillity of nature with the vibrancy of a lively coastal town, ideal for year-round living or as a second home. A home conceived for those seeking much more than a residence: an experience of harmony between luxury, nature, and wellness.
