

3 bedroom Apartment for sale in Benahavis, Málaga

730,000€

This exclusive development of 60 modern apartments is located in the highly sought-after municipality of Benahavis and is now under construction, nearing completion, and soon ready for handover.

Each apartment includes a private parking space and a storage room, providing convenience and additional space for residents.

Part of the prestigious private complex La Hacienda del Señorío de Cifuentes, residents will enjoy access to four stunning pools, expansive landscaped gardens, fountains, and a bar—all within a secure gated community offering concierge service.

Nestled in the tranquil and secure macro-urbanization of Los Jaralillos, this privileged location sits atop the valley, boasting panoramic views of the Atalaya and El Paraíso golf courses and the sparkling bay of Marbella.

The project is distributed across five boutique-style buildings, each with only 12 apartments, offering 2- and 3-bedroom layouts. Every home is designed with large southeast-facing private terraces seamlessly connected to the living room through floor-to-ceiling windows. This design maximizes natural light and provides breathtaking views, creating an atmosphere of elegance, relaxation, and comfort.

The apartments are delivered fully equipped with high-end finishes, quality materials, and a refined Mediterranean-inspired interior design. Each residence includes underground parking with pre-installation for electric vehicle charging and an additional storage room.
