

3 bedroom Villa for sale in Finestrat, Alicante

1,150,000€

We present this wonderful detached villa , designed for those who value contemporary design, comfort, and a superior quality of life. Situated on a generous 470 m² plot , this property offers 425 m² of built area , distributed over several levels to maximize spaciousness and functionality.

Its interior layout is designed to meet the highest demands. It features three spacious suites , each equipped with a private bathroom, ensuring an intimate and comfortable atmosphere. The home has four full bathrooms , all with underfloor heating , a feature that provides warmth and distinction. The modern, fully equipped kitchen is an ideal space for both everyday life and entertaining. Additionally, there is a private office area and a private gym , designed for an active and balanced lifestyle.

The spaces are filled with natural light thanks to their large windows, which also offer unobstructed views and a seamless connection to the outdoor areas. The feeling of well-being extends to the exterior, where a spectacular 46 m² pool , with a saltwater electrolysis system and built-in jacuzzi , becomes the perfect place to relax. The solarium , ready to install an additional jacuzzi, and the terrace with a barbecue area complete the ideal setting for enjoying the outdoors in complete privacy.

In terms of technology and comfort, the home is equipped with an advanced home automation system , which facilitates comprehensive home management, from climate control to security. It also has air conditioning with heating and cooling functions , ensuring an ideal temperature at any time of year. The enclosed garage and additional outdoor parking space complete a proposal that combines practicality with exclusivity.

This property offers not just a home, but a lifestyle. A modern and elegant retreat where every detail has been designed to provide an unparalleled residential experience.

Climate:

The climate on the Costa Blanca, often considered the best in Europe, allows for a very sociable and healthy outdoor
