

3 bedroom Townhouse for sale in Pilar de Jaravia, Almería

249,000€

Platinum Estates Group presents this unique property for renovation in Pilar de Jaravía, an exceptional opportunity for those looking to create their home from scratch in a natural, protected environment offering absolute tranquillity.

The property sits on a very large plot of 141,907 m², much of which is undeveloped pasture land, guaranteeing an open environment with no future buildings around and a high level of privacy. Far from being a limitation, this factor adds differential value: unobstructed views, silence and a direct connection with nature that is difficult to find.

The existing house has 3 bedrooms and 2 bathrooms, providing the ideal basis for a comprehensive renovation to adapt the spaces and design to your requirements. It is a property designed for those who want to personalise every detail, whether as a permanent residence, a weekend retreat or a country living project. It also has a workshop area as well as outdoor areas with a water tank and areas for outdoor living in the shade of the trees.

Located in Pilar de Jaravía, it enjoys a peaceful rural setting, but with easy access to nearby towns, basic services and the coast, located approximately 4 km from the sea. A strategic location to enjoy the calm of the countryside without sacrificing proximity to towns and main transport links.

A property with character, spectacular views and enormous potential for those who value space, privacy and an authentic lifestyle.
