New-Build Buenaventura Villas at Desert Springs Golf Resort, Cuevas del Almanzora, Almeria, Andalusia

Located within the prestigious Desert Springs Golf Resort in Cuevas del Almanzora, Desert Gold is an exclusive private residential development offering a limited selection of newly built three and four-bedroom Pueblo Villas. These homes combine modern comfort and contemporary interiors with architectural inspiration drawn from the traditional casas de campo of the Almanzora Valley.

Set within intimate, semi-closed communities, the villas are arranged in small clusters and share beautifully landscaped communal gardens and swimming pools, while still benefiting from private gardens, large terraces and pergolas. Elevated positions provide open views across the championship Indiana golf course and the surrounding mountain ranges, with all resort facilities within easy walking distance.

The three-bedroom Buenaventura Pueblo Villas are thoughtfully designed for modern Mediterranean living. On the ground floor, the layout includes a bright open-plan living and dining area with French doors opening onto a covered veranda and pergola, ideal for alfresco dining. Two double bedrooms and a family bathroom are also located on this level. The main bedroom occupies the first floor, featuring an en-suite bathroom and direct access to a private roof terrace.

Interiors are finished to a high standard, with Porcelanosa and Roca sanitary ware, ceramic tiled floors, double glazing, mirrored fitted wardrobes, and air conditioning throughout. The open-plan kitchen is fully fitted with integrated appliances and a durable Compac worktop. USB ports are installed in all rooms, along with high-speed internet connectivity.
