

4 bedroom Country House for sale in La Romana, Alicante

339,000€

We are delighted to present this beautiful renovated old bodega of over 250m² located in a small hamlet in the countryside, 3 minutes from La Romana, with views of the mountains.

With the undeniable charm of its architecture and the practicality of its fittings, this property will win you over at first glance.

Whether you're dreaming of convivial receptions around the pool or studious mornings in your light-filled office, everything has been designed with your well-being in mind.

The house comprises a large entrance hall leading to a large room that can be used as an office or reading room with an impressive open fireplace.

The office provides access to the former bodega, which has been converted into a large living room, dining room and open-plan kitchen (approx. 70m²).

From here, you head towards a laundry room (11 m²), a lovely bedroom and a shower room with WC offering all the necessary comforts.

A beautiful staircase in local stone takes you to the first floor, where you will find 2 further large bedrooms, a second shower room with WC and an attic.

The house is connected to mains water and electricity.
