225,000€

This detached ground-floor Lola bungalow (villa) is located in the established La Marina urbanisation in San Fulgencio and sits on a private plot of approximately 207 m², directly next to the communal swimming pool.

The property offers three bedrooms and two bathrooms, including an en suite. The main living area is a well-proportioned lounge-dining room with a fireplace and direct access to the front terrace, which opens onto the private garden. The kitchen is separate and functional, with ample natural light and direct access to the outdoors. Outside, the plot is fully usable and easy to maintain. The garden enjoys open views towards the communal pool area, creating a pleasant outlook without sacrificing privacy. There is also a private driveway with space for one car and a storage room.

A private roof terrace provides additional outdoor space for sunbathing or seating, with open views of the surrounding area.

Originally built in 1988, the property has been renovated and is well-maintained. It is ready to move into, although it is sold partly furnished as seen.

This is a straightforward, practical home, suitable as a permanent residence, holiday property, or rental investment.
