599,000€

Spacious and Luxurious Townhouse in the Heart of Andalusia

Discover this stunning 507 m² townhouse, perfectly located in the charming village of Huéscar, in the north east part of the region. This property has recently been lovingly and authentically renovated, combining stylish modern luxury with rustic Andalusian charm, including wooden beams, decorative windows, and traditional tiles with vibrant patterns. The house beautifully reflects the traditional Andalusian architectural heritage, offering a unique blend of history and modern luxury

This exceptional property is spread across four floors, offering the ideal combination of space and style. It is perfect as an exclusive family home, as a luxury B&B or an investment property with the advantage of three independent apartments. Featuring a total of seven spacious bedrooms, all equipped with air conditioning (hot/cold), and seven modern bathrooms, this townhouse is truly a hidden gem.

Interior and Layout:

Basement:?The basement/bodega could serve as a home office, gym, playroom, or cinema room, depending on your needs/preferences.

Ground Floor:?Upon entering, you are welcomed by a spacious hallway with an elegant marble staircase with beautifully restored feature windows.

To the right is a room ideal for use as an office or storage space. To the left, a corridor leads to an elegant dining room, with large bespoke table to seat 12 people, directly leading to a beautiful terrace with dining and lounge/chillout areas. The large rustic kitchen is fully equipped with all modern features and appliances. This floor also includes a self-contained one bedroom apartment, which features a living room, small kitchen, and a modern bathroom with a walk-in shower – beautifully finished and fully furnished.

First Floor:?This floor includes 2 large suites sympathetically designed to highlight the beautiful authentic tiled floors and original features of the property. Both come with modern bathrooms and separate stylish living areas.
