

2 bedroom Country House for sale in Alameda, Málaga

190,000€

We are pleased to present this charming village house of approximately 160 m², currently undergoing renovation and scheduled to be delivered fully refurbished. A key advantage of this property is the possibility to personalise certain finishes and details according to the buyer's preferences.

Upon entering the home, you are welcomed by a spacious and bright living area, where rustic-style ceilings and a fireplace stand out as the focal point of the lounge. This is a versatile and open-plan space, ideal for creating a generous living and dining area or for reconfiguring the layout to suit individual needs, allowing for a functional separation of spaces if desired.

At the rear of the property, there is a large open-plan kitchen, both practical and comfortable, which connects directly to the interior porch. This area retains a warm and inviting character thanks to its active dark-brick fireplace, adding an elegant vintage touch and enhancing the overall ambience. From the kitchen, there is direct access to the rear patio, a perfect setting for barbecues, al fresco dining, or relaxing outdoor moments. The patio also features a full bathroom and a utility room currently arranged as a laundry area.

Next to the main entrance, a staircase leads to the upper floor, where a cosy landing lounge provides direct access to a generous double bedroom with two windows facing the main street, ensuring excellent natural light. Further along the corridor is the principal bedroom, a spacious and airy room with a large en-suite bathroom, recently renovated and fitted with a window and walk-in shower.

At the end of the hallway, there is a pleasant terrace overlooking the interior patio, where a second full bathroom is also located, adding extra comfort and convenience to the home.
