

6 bedroom Villa for sale in Carmona, Sevilla

290,000€

A journey to another era in the historic center of Carmona, where the past can be felt in every corner and history comes alive within centuries-old walls. This property is a blank canvas, perfect to restore from scratch, creating a unique home while preserving the essence of traditional Andalusian architecture.

Built at the beginning of the 20th century, this house preserves a central patio with arches that reflects nobility and tradition. The original walls and open layout allow you to imagine endless possibilities: creating bedrooms, bathrooms and living areas adapted to modern life, with a complete renovation required to transform it into a tailor-made residence.

The property features a rear garden that provides light, freshness and privacy, a perfect space for family gatherings or

Property marketed by Hispalica Propiedades, S.L.

the city. This is one of the few properties that still preserve their original architecture and offer the opportunity to design an exclusive residence in one of the most sought-after areas of Carmona, surrounded by homes that are already being restored.

Located in the center of Carmona, just a few steps from historic squares, traditional streets and emblematic buildings, the property allows you to experience the authentic charm of Carmona. The town offers history, gastronomy and culture, with excellent connections to Seville, only 30 kilometers away.
