

4 bedroom Townhouse for sale in Orihuela Costa, Alicante

425,000€

In Dehesa de Campoamor, this 140 m² house (120 m² usable) offers 6 rooms, 4 bedrooms and 3 bathrooms, plus a private garage, terrace, patio and balcony with east and west orientation. Its layout provides spaciousness and a solid base to create a sophisticated residence, with bright rooms and pleasant views of green areas and the surroundings, ideal for a Mediterranean lifestyle. It consists of two floors with two separate family units, each with two bedrooms and independent terraces. It is ideal as an investment for holiday rentals or for a large family. It features stoneware tile floors, electric heating, a fitted kitchen with appliances, built-in wardrobes, a guest toilet and an indoor laundry room, providing functionality and comfort from day one. Built in 1970 and in need of renovation, it is an exceptional opportunity to design a bespoke home in one of the most sought-after areas, elevating every detail to the level of luxury it deserves. It is a five-minute walk to La Glea Beach, Campoamor's main beach.
