Layout and spaces

The home features a highly practical layout, designed to make everyday living easy and to adapt to different stages of life. On the ground floor, there is a comfortable bedroom, ideal for avoiding stairs and perfect as a main bedroom, guest room, or workspace.

This floor also hosts the main living areas: a bright and welcoming lounge that invites relaxation, and a functional kitchen well connected to the shared areas of the home, creating a comfortable and family-friendly environment.

On the first floor, there are four spacious and well-lit double bedrooms, offering more than enough room for family and visitors. The layout enhances privacy and rest, with versatile spaces that can easily serve as bedrooms, a home office, or leisure rooms.

The property also includes two full bathrooms, well distributed to serve both floors, adding practicality and comfort
