We are pleased to present this stunning property situated in a quiet, elevated location near the Embalse de Santomera, this characterful traditional finca is surrounded by olive trees and overlooks vast farmlands. Here you will experience pure privacy, space, and authentic Spanish country living — while the city of Murcia, shopping centers, and the beaches of the Costa Blanca are surprisingly close. The house was built in 1977 and exudes charm and tradition. The main building (118 m²) features four bedrooms and two bathrooms. The spacious and bright living room with large windows creates a warm and inviting atmosphere, where indoor and outdoor spaces seamlessly blend together.
