

3 bedroom Apartment for sale in Estepona, Málaga

870,000€

The development features a communal outdoor pool with sun-lounger areas for relaxation. The pool is finished with glazed glass mosaic tiling and includes an infinity edge and overflow system, as well as a saltwater electrolysis system for more natural water maintenance. There is also a poolside bar with tables arranged for residents' enjoyment and relaxation. The indoor gym is equipped with training machines, changing rooms, and direct access to the spa area, which includes a heated pool with the Munich system, as well as a sauna, jacuzzi, and massage room. The outdoor gym provides all necessary equipment for exercising in the open air, along with recreational and leisure areas for enhanced enjoyment. Enquire now for more details on how to reserve one of these special properties.
