

8 bedroom Villa for sale in Marbella, Málaga

3,950,000€

Spacious 8-bedroom villa set in the established residential area of Guadalmina Alta, just a few minutes from golf courses, shops, schools and the beach. Positioned on a generous 1,400 m² plot and south-facing, the property benefits from natural light throughout the day and a good sense of privacy.

The house has been laid out with family living and entertaining in mind. The outdoor areas are a real highlight, with a private swimming pool, landscaped gardens and a fully equipped outdoor kitchen and barbecue area, making it very easy to spend time outside. There is also a private putting green, which adds something a bit different for anyone who enjoys golf.

Inside, the main living space is bright and well proportioned, with a lounge featuring a fireplace, a separate dining area and a modern, fully fitted kitchen. One of the more practical features is the independent guest apartment, which has its own entrance and kitchen — ideal for older children, visiting family or guests who want a bit of separation while still being connected to the main house.

Additional features include a gym with air conditioning, fitted wardrobes, a laundry room, storage, a solarium, double glazing, alarm system, Wi-Fi and a private garage.

The property is presented in very good condition, having been recently refurbished, and can be sold with furniture if required. It offers open views over the garden and pool, in a quiet but well-connected area of San Pedro, making it a solid option for full-time living or as a large family home.
