

4 bedroom Country House for sale in Estepona, Málaga

1,500,000€

INVESTMENT OPPORTUNITY COUNTRYSIDE FINCA WITH OUTSTANDING SEAVIEWS - JUST 5 MINUTES DRIVE OUTSIDE ESTEPONA TOWN . COSTA DEL SOL.

It is practically impossible to find a large country property such as this one in such close proximity to a coastal town . This property was built by the current owners in 1986 and has been used by 2 generations before a recent decision to sell the property by the family members.

Set in 48,500m² land , surrounded by panoramic sea and mountain views . The Finca has a large 351 m² good solid villa, which is in excellent structural condition . Constructed in traditional Andalucia style in 1986. Fully legal . There is a large swimming pool .

A 48m² store room, which has been semi converted into a small cottage with shower room & basic kitchen .

The villa is in very good interior condition. It is old fashioned by todays standards, but would require very little work to make it move in ready . However, it would make a really spectacular home with a full modern conversion . The current ground floor plan lends itself to an easy conversion to an open concept living space. Currently there are 2 large double bedrooms each with terrace on the first floor and a family bathroom - , there is more than ample room to reconfigure to create 2 ensuite bathrooms .

The ground floor's curent layout is a huge entrance hall , kitchen , living/diner and 2 bedrooms and 1 bathroom .

within the grounds of the Finca is a 48m² 2 room house with a shower room . It was designed as a storeroom originally, current use as farm worker cottage & store
