

Country House for sale in Villanueva de la Vera, Cáceres

435,000€

A converted and extended agricultural barn preserving many original features, this spacious four-bedroom property is set in approximately 3 hectares of land with magnificent views of the Sierra de Gredos mountains. The ground floor is open plan and contains a dining area, the kitchen and the living room. A large open fireplace area with room for a sofa separates the kitchen and living areas, linking the two but marking them as distinct spaces. There is a double bedroom downstairs. Upstairs are three further double bedrooms, each with a bathroom and fitted wardrobes. A variety of established fruit trees, outside kitchen and barbeque area, gas central heating, own well. Good access from Villanueva de la Vera approximately 6 kilometres away.
