

Land for sale in Gata, Cáceres

92,000€

A plot of land measuring approximately 6 hectares (14 acres) in a secluded valley between the mountain village of Gata and the low-lying village of Villasbuenas de Gata. The plot is divided into olive groves (800 trees), pasture land, vines, fruit trees and pinewood. Access is along a 1.3km dirt track. There is a 50 m2 concrete shack with fireplace and a stone ruin with a footprint of approximately 100 m2. Water from a borehole (54m deep with water at 8m at the end of summer) and a spring. This is an ideal place for those looking for solitude and interested in cultivating crops and/or animal husbandry.
