

2 спальная комната квартира продается в Nueva Andalucia, Málaga
699.000€

Los Granados Golf is a luxurious community close to Marbella and Puerto Banus that offers one of the best golf courses in Nueva Andalucía and Marbella. It has an indoor heated pool, tropical gardens with private putting green and for your convenience the 24/7 security will keep you safe here!

The apartment also comes equipped with an underground parking space as well as a storage room so it's easy going every day. This beautiful fully renovated two-bedroom apartment is the perfect place to live. It's bright and airy thanks for its large windows, it has a designer kitchen with high quality German NEFF appliances that will make your cooking easier than ever before!

There are also water filters installed which ensure only clean drinking water comes out when you use them. We've got underfloor heating throughout so everything feels cozy even on those cold winter nights. The spacious bathroom is the perfect place to relax while enjoying views of Las Brisas Golf Course.

The luxurious master suite includes a freestanding bathtub and high-class appliances from GROHE, along with Duravit fixtures for your utmost convenience!
