

3 спальная комната вилла продается в Camproamor, Alicante

1.495.000€

These exclusive villas are located in a privileged setting, in the heart of Las Colinas Golf & Country Club, Alicante, Costa Blanca. This villa has a large 1,555m² plot with 230m² of constructed area, solarium & individual 37m² swimming pool. It has 3 bedrooms, 3 en-suite bathrooms, a toilet, a fully fitted American kitchen, elevator, storage room, laundry room & 2 parking spaces.

Its rooms are distributed on three different heights, designed to optimize their integration into the environment, as well as to facilitate views of the golf course & the Mediterranean sea. Its southwest orientation contributes to a better use of daylight hours & therefore to greater energy efficiency of the building. In addition, the villa has a complete installation of air conditioning, a domotic system, underfloor heating, osmosis systems & a free alarm system during the first year, after its acquisition.

This exclusive villa is unique within the residential complex, both for its architectural style & for its high quality standards & finishes.

Las Colinas Golf, set in a 330-hectare valley south of Alicante on Spain's Costa Blanca, has made a name for itself as a premier golf destination since opening in 2010. Its 18-hole championship course, designed by Cabell R. Robinson, has been awarded the best in Spain four times in the last 5 years at the prestigious World Golf Awards & is recognised as one of the best courses in Europe. Las Colinas Golf & Country Club has also earned a prestigious reputation as a low-density, high quality residential resort that promotes & cares for its natural surroundings. It has also been awarded Europe's & Spain's Leading Villa Resort in the 2020 World Travel Awards. Golfers & non-golfers alike appreciate the resort for its great beauty & the services it offers, as well as its proximity to the Costa Blanca's beaches, historic towns & also its connections to international airports.

Las Colinas Golf includes a gymnasium fitted with everything to complete a full days training; a swimming pool to cool off from the sun & a wellness area dedicated to relaxing mind & body. This complex includes a Racquet Club for tennis, paddle tennis, football & basketball. Clients also can ride mountain bikes along the 4.500m circuit through
