

5 спальная комната вилла продается в Isla Redonda, Sevilla

179.000€

Amazing 381m² build easy living Chalet style Villa with a generous town plot size of 661m² is situated in Isla Redonda in the province of Sevilla, Andalusia, Spain. This single storey property has so much to offer its quite hard to know where to begin. The main house offers five double bedrooms two of which benefit from en suite shower rooms and there is a further full family bathroom. In the heart of the home is the kitchen which is beautifully finished has plenty of storage space and granite worktops throughout, this opens to the first of two good size living rooms both of which have pellet burning stoves, for those cooler winter months. The main house spills out on to a fantastic outside space with a separate summer annex which includes a utility room, summer kitchen, dining room and large open plan living space with open fireplace and patio doors out on to the beautiful patio area. The patio area has a private swimming pool, barbecue area, patio and various fruit trees and plenty of space to entertain and enjoy with family and friends. The property also has two separate garages perfect for off road parking or storage/workshop. This is a lovely property which is being offered part furnished with solar panels already installed to assist with hot water, the house has mains electric and water as well as it own well water which the current owner using for the garden and pool. This property really has so much to offer it needs to be seen to be appreciated.
