Campoamor is situated in a distinct area neighboured with rich countryside. Being located there means that the resort sits in beautifully consistent climates with more than sufficient sunshine, making it the perfect destination for a getaway.

The spectacular traditional golf course of Campoamor, one of the top golf courses in Spain, overlooks the graceful Mediterranean and is spoilt with the highest quality of maintenance and care, gratifying players who enjoy the active outdoor lifestyle with a distance of 6533m and par of 73. Saying that, the structure is narrow and the preserved nature comes as an obstacle more than anything, presenting a variety of difficulties for challengers of all abilities. Alongside this, the Campoamor Golf Club Resort takes pride in the natural wind protection provided due to the fact that it is surrounded by small hills and is between two valleys.
