

3 спальная комната Деревенский Дом продается в Priego de Cordoba, Córdoba
132.000€

Situated on the edge of the historical town of Priego de Cordoba in Andalucia, Spain, is this 3 bedroom Cortijo with extensive level grounds of 10,493m². Set back from the road with parking for a number of vehicles to the front of the property and with a large private garage, you enter the Cortijo from a gated front covered patio. From the patio one entrance leads into a large open plan lounge with an open fireplace and a fitted kitchen. Also from the patio you enter the main part of the property into a wide hallway with a twin bedroom both to the right and to the left, ahead leads into a formal dining room with a ground floor shower room with utility area off to the left. To the right of the dining room there are stairs taking you to the first floor where there are 2 large and 2 smaller rooms in which to create more living or entertainment spaces. To the rear of the property you have a patio space, a good size storage outbuilding behind which is your private swimming pool, there are also further outbuildings to renovate.
