

**2 спальная комната Коммерческая недвижимость продается в Caudete, Albacete**  
**38.000€**

This bar needs a full reform but was operating at a profit until Covid 19 hit. There are 3 floors 2 of which were being used for living accommodation. However there would be the possibility of extending the bar downstairs and having the toilets or pool room upstairs. It is in a central location and has a wonderful façade.
