This townhouse is made up of 3 levels. The entrance has a terrace and the lounge is beyond and the spacious kitchen. The kitchen has views over the gardens and pool and the dining area leads out to a charming terrace.

The urbanisation is quiet. There is a basement level which can be used as a gym, to rent out or for older children or older family members. The upper level is made up of 3 bedrooms and 2 large bathrooms.

The higher level has a laundry area and a low room which can be used for storage and a beautiful terrace which can be enjoyed during the many summer days that the Costa del Sol has to offer. The garage is another advantage. A very interesting property.
