Albir is a compact coastal resort that generally appeals to a largely European crowd, very popular with the Dutch and Scandinavians and also some Brits can be found. Just a 40 minute drive from Alicante Airport and 8km from the centre of Benidorm, the resort has all the amenities you would expect to find from a beach destination - plenty of shops, cafes, bars and restaurants and a weekly market. However, there is a much more relaxed feel about the place and it is ideal for holidaymakers of all ages and a beautiful place to take up residence full time. International and Norwegian schooling and sports facilities locally and public transport links including the Tram on your doorstep.
