

## 4 спальная комната городская тюрьма продается в Fuente Tojar, Córdoba

43.995€

A great Investment opportunity to acquire two townhouses in the traditional Spanish village of Fuente Tojar close to the popular town of Priego de Cordoba in Andalucia. The first property has a open plan kitchen lounge with access to a private terrace with views over the village to the mountains beyond and a full shower room plus a double bedroom. The second Townhouse is in need of reform but is situated on a lovely Spanish square and would make and great 3 bedroom property with some outside space. The first property has internet, electricity and town water connection. Being able to live in the first property whilst reforming the second is a big bonus, whether undertaking the renovation yourself or overseeing the work required.
